

Proudly presents our first annual

K-8 Science of Reading Night

Hear about our schools' innovative new approach to reading instruction and learn about activities that you can do at home to support your child's growth as a reader!

When: December 3, 2024 – 6:00 PM to 7:30 PM

Location: Zoom – Use link <https://tinyurl.com/SORzoom>

Presenters

Kyle Black

Susan Senek

APS Directors of ELA Curriculum, Instruction & Assessment
